PRESSO LA FONDAZIONE LUCIA DE CONZ

The background of the entire page is a dense collection of smooth, rounded stones of various sizes, each painted with different colors and patterns. The colors include bright red, green, blue, purple, yellow, orange, and white. Some stones have abstract designs, while others are solid colors. In the center, there is a semi-transparent white rectangular box containing text. Behind the text, two small, colorful art projects are visible: one is a square with a green and yellow abstract pattern, and the other is a rectangular piece with a blue and white abstract pattern.
